SUPPLEMENT
TO
PETITION FOR WAIVER
OF UNITED-KUC, INC.

In response to an inquiry by staff of the Common Carrier Bureau, United-KUC, Inc. ("United-KUC") files this Supplement to the previous request for a limited waiver of the authorization and verification requirements of the Commission's carrier-change rules, 47 CFR §§ 64.1100 through 64.1190, and relevant Orders. United-KUC hereby states the following in connection with the inquiry of the staff:

United-KUC has prepared and will be sending to each customer affected by this waiver request a new billing insert which includes the following four specific matters:

1 First, the billing insert will clearly identify United-KUC as the member company of the Alaska
2 Telephone Exchange Acquisition Corporation which has acquired the properties of GTE Alaska in the
3 communities subject to the waiver request.

4 Second, the billing insert will reiterate that the customer's intrastate and interstate long distance
5 providers and Internet service providers will remain the same.

6 Third, the insert clearly states that the transfer of properties to United-KUC will not result in any
7 additional charges to the customer.

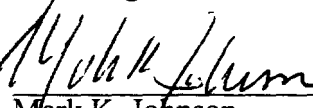

8 Fourth, the insert sets out a toll-free number to contact United-KUC if there are any questions
9 by the customer regarding the transfer.

10
11 A final draft of the billing insert is attached to this Supplement. The billing insert will be
12 distributed to customers during the next billing cycle.
